AREEJ ALDAR **BUILDING CONTR & MAINTENANCE LLC**

An established local company dealing with construction and general maintenance of the residential, commercial and industrial buildings and the related services.

Areej Al Dar is supported by the experienced and specialized team such as engineers and committed management with a collective experience of over and above ten years in Middle East Region, in various aspects of engineering procurement and construction.

Dear Valued Clients, Partners, and Esteemed Team Members,

Welcome to AREEJ ALDAR Building Contracting LLC!

We are more than builders; we are architects of progress. Our journey, spanning over a decade, has been fueled by unwavering passion, resilience, and an unyielding commitment to excellence. As the CEO, I am honored to lead a team of dedicated professionals who share a common vision: to shape the future of construction in the UAE and beyond.

Our Expertise

1. Building Construction:

- Our passion extends to building structures that stand the test of time. Whether it's residential, commercial, or industrial, we approach each project with precision and creativity.
- From groundbreaking to the final coat of paint, we infuse our buildings with functionality, aesthetics, and a touch of innovation.

2. Infrastructure and Roads:

- At AREEJ ALDAR, we don't just construct; we connect. Our expertise lies in creating robust infrastructure that supports cities, industries, and daily life. From highways to bridges, drainage systems to utilities, we leave no stone unturned.
- Our roads wind through the heart of communities, linking neighborhoods, businesses, and dreams. We understand the critical role they play in economic growth and social well-being.

Our Promises

1. Quality Excellence: Our Enduring Legacy:

- Quality isn't negotiable; it's the very essence of our work. We meticulously scrutinize every detail—the precision of a weld, the texture of a finish—because we understand that excellence isn't an option; it's our legacy.
- In both building construction and infrastructure, our commitment to quality remains unwavering.

2. Safety Culture: Lives Matter:

- Safety isn't a mere checklist; it's ingrained in our culture. Our construction sites are sanctuaries where every worker returns home unharmed.
- We invest in training, protocols, and protective gear because lives matter—ours, yours, and the communities we serve.

3. Innovation as Lifeline: Pioneering Progress:

- Innovation isn't a buzzword; it's our lifeline. We embrace technology, explore sustainable materials, and reimagine construction processes.
- Why? Because progress demands it. We stay ahead, anticipating tomorrow's needs today.

4. Collaboration and Trust: Building Together:

- Collaboration isn't a convenience; it's our ethos. We listen intently to our clients, understand their aspirations, and co-create solutions.
- Together, we build trust—brick by brick, road by road.

Our Impact

- Our impact extends beyond blueprints and steel. It's in the smiles of families moving into their new homes, the bustling offices we construct, and the bridges that connect communities. We're not just builders; we're enablers of progress.

Thanking you! Let's continue building dreams beyond the sky, reaching for new heights with each endeavor

With determination and gratitude,

Eng. Hady Fathy - CEO, AREEJ ALDAR Building Contracting LLC

INTRODUCTION

Our company has distinguished management experience in contracting, including ten years in UAE & SAUDI ARABIA. For that we are able to do:

- All kinds of buildings (Villa, Warehouse, show room, external Majlis, light an
- quick construction as per Abu Dhabi municipality new Regulation, concrete
- structure, steel structure and mixed structure
- Upper and underground construction such as fire water tank and similar.
- All works related to the building, infrastructure and all networks.
- Maintenance and related activities.
- Building information modeling (BIM).

HEALTH & SAFETY POLICY

AREEJ AL DAR BLDG CONTRACTING LLC

is engaged in a business of All Kind Building Projects Contracting. We shall remain committed to protection of the Health and Safety of our staff, employees, visitors, subcontractors, and the community at large and protect the physical environment in which the company activities are carried out.

The Management and Staff of AREEJ AL DAR BLDG CONTR AND MAINT – BRANCH OF ABU

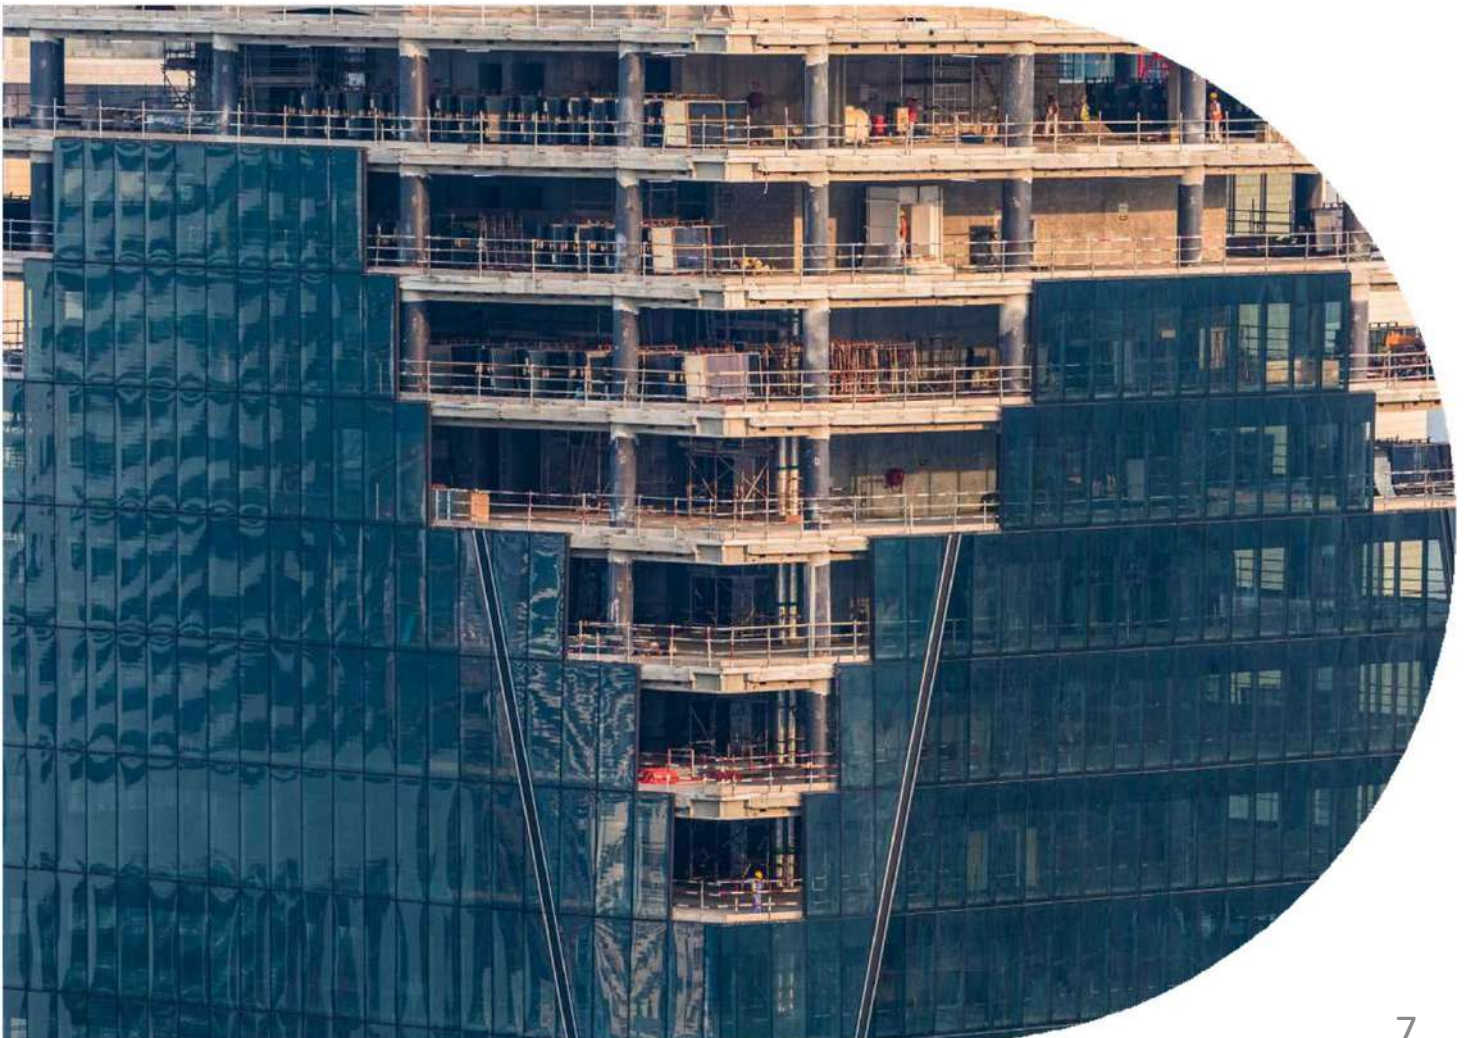

DHABI 1is committed to:

- Ensuring the safety and welfare of our staff and the protection of our assets.
- Shall be determined to fulfill our commitments and services that meet the needs and expectations of our customers.
- Ensuring the prevention of any impact on the environment resulting from our actions.
- Complying with all relevant Health & Safety, Environmental legal laws, and other regulatory requirements.
- To identify the hazards (the potential for harm) assess the risks (the likelihood of that harm being realized) and manage those risks.
- To maintain work equipment in a safe state and provide both safe systems of work and a safe working environment for employees and all who work on our behalf.
- Periodically review the suitability, adequacy, and effectiveness of the HSE management system.
- Strive to prevent any incidents, occupational illness or exposures which could cause harm to people and damage to properties and assets and the environment and maintain Emergency Plans to reduce risks and adverse effects.
- Make every effort to protect the environment and prevent pollution, to minimize consumption of materials, to promote reuse and recycling of wastes and adopt best practice on waste management.
- Strive to achieve continual improvement through implementation and review of the HSE management system and related performance.
- To prevent accidents and cases of work-related ill-health.
- Policy will be reviewed periodically and will be available for employee and public.

HEALTH & SAFETY POLICY – CONTIN...

These commitments will be achieved by:

- Establishing and maintaining a documented Health, Safety and Environmental Management System (HSEMS).
- Ensuring procedures, program and guidelines are in place to support the HSEMS.
- Providing the necessary HSE resources for the implementation of the Management System
- Communicating the Company's HSE policy and Objectives to relevant interested parties including its employees, stake holder, clients, and customers.
- Setting, monitoring, and reviewing HSE targets and objectives.
- Complying with HSE Policy.

QUALITY POLICY

AREEJ AL DAR BLDG CONTR AND MAINT - BRANCH OF ABU DHABI

AREEJ AL DAR BLDG CONTR AND MAINT - BRANCH OF ABU DHABI firmly believes that sound Quality performance is key to ensuring sustainable business in All Kind Building Projects Contracting by operating a Quality Management system following the requirements of ISO 9001: 2015.

Thus, it shall be considered an integral part of the business decision-making process that is beneficial to all Company's Stakeholders.

Hence, AREEJ AL DAR BLDG CONTRACTING LLC committed to:

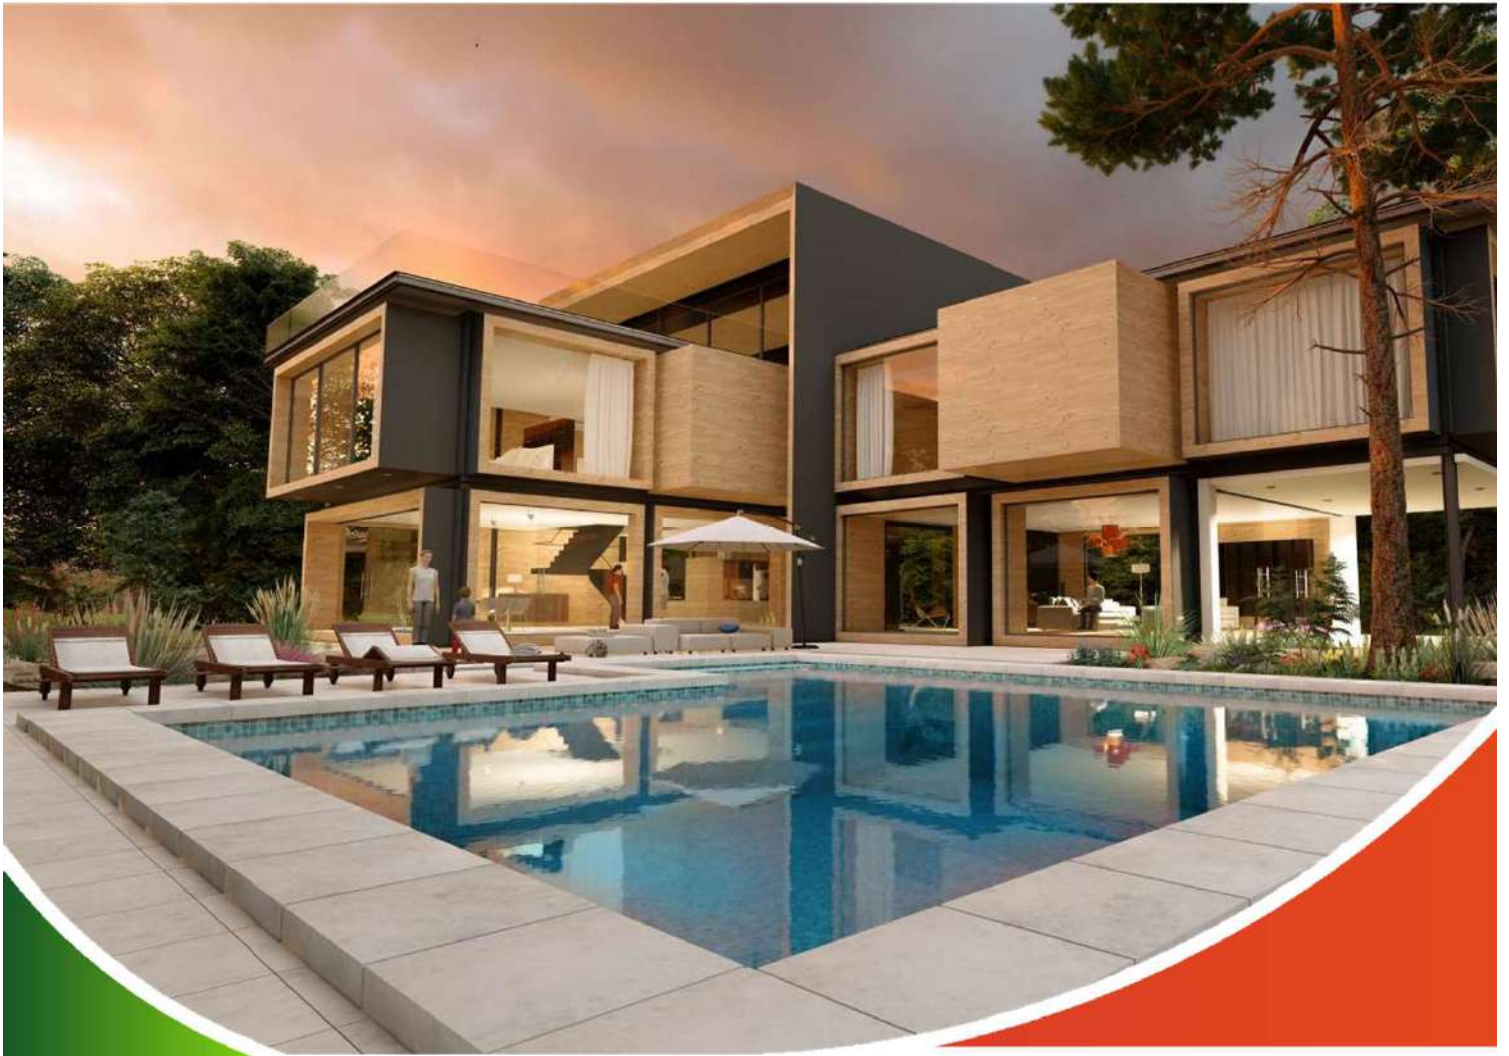

- Satisfying applicable requirements by ensuring that client and applicable statutory and regulatory requirements are determined, understood, and consistently met.
- Implement and maintain an effective QMS that guides objectives and performance standards and ensures that there is strong leadership and very clearly defined responsibilities and accountabilities for all levels of the organization.
- Continual improvement of the quality by ensuring the risks and opportunities that can affect conformity of contractors and consultant's services and the ability to enhance customer satisfaction are determined and addressed and the focus on enhancing client satisfaction is maintained.
- Ensure the quality policy and quality objectives are established for the QMS and are compatible with the context and strategic direction of the Company.

QUALITY POLICY – CONTIN...

- Ensure that the resources needed for the QMS are available, including training, support, work environment, and encouragement, and communicate the importance of effective quality management and of conforming to the ISO 9001: 2015 requirements.
- This policy will be communicated to all employees and available to all.
- Employees and other interested parties are expected to cooperate and assist in the implementation of this policy, which will lead them to improve their and our performance.

This policy will be reviewed annually in the Management review meeting and where deemed necessary will be amended and re-issued

OUR SERVICES

• RESIDENTIAL CONSTRUCTION

We provided tailored construction services to make the dreams of homeowners and developers a reality. We can plan, construct, and manage everything from site preparation and permit acquisition to the concrete, masonry, and interior finishing details. Our residential contractors take a proactive approach to your project to maximize lifetime cost savings and keep the project on schedule.

OUR SERVICES

• INDUSTRIAL/COMMERCIAL CONSTRUCTION

We deal mostly with the construction of factories, power plants, warehouses, and other highly specialized facilities. Industrial construction also includes the design, installation, and maintenance of mechanical and structural components in these facilities. The successful completion of the project depends on focused management control & coordination of every detail from initial feasibility studies to final permitting.

OUR SERVICE

. REHABILITATION / RENOVATION SERVICES

Water intrusion and air leakage, coupled with the natural aging process, can wreak havoc on buildings, and repairs are often done piecemeal. With a deep knowledge of building science and experience with hundreds of buildings. We undertake the responsibility to outline the options, advantages, risks, and costs inherent with your specific project. We also evaluate cost effective architectural changes and energy efficiency measures.

OUR SERVICE

. BUILDING INFORMATION MODELING

Our team comprises of engineers and IT professionals with extensive experience in supporting projects with varying size and complexity. We offer you BIM modeling of Architectural, Structural, and MEP components of your project helping you expedite your construction process, minimize wastage and reduce cost overruns. Our team can deliver an integrated BIM model with all elements coordinated or provide a standalone BIM model.

OUR SERVICES

• INTERIOR DESIGNING

We offer a variety of home and office related interior design services. Each project is unique and whether you desire a simple hourly design consultation or an on-going three-year project, we look forward to any challenges the project may present. Design services are packaged according to your needs, so you have options to fit your timing and budget. We are here to create a functional & attractive environment that is beneficial to your quality of life.

OUR SERVICE

MAINTENANCE SERVICES

We guarantee that you will receive an effective domestic and commercial property maintenance service, ensuring your business continues to run smoothly.

Our mission is to resolve your business and property maintenance issues as fast as possible, at the most competitive rates, with a top-of-the-range facilities management service.

OUR SERVICE . MEP WORK

"Precision in Every System – Our MEP (Mechanical, Electrical, Plumbing) services exemplify expertise in the intricate balance of building systems. From innovative mechanical solutions to robust electrical installations and efficient plumbing networks, our team ensures seamless integration for optimal building functionality. Partner with us for MEP excellence, where precision meets efficiency in every aspect of your project's mechanical, electrical, and plumbing needs."

OUR SERVICE

. EARTHWORKS & IMPORTED FILLING

Earthworks & Imported Filling: Our comprehensive Earthworks & Imported Filling services integrate precision excavation and the strategic placement of quality fill materials. Whether shaping landscapes, creating foundations, or optimizing terrain for construction, our team utilizes cutting-edge techniques and superior fill materials to meet project specifications. Count on us for reliable solutions that seamlessly blend expertise with efficiency in every aspect of earthmoving and filling requirements."

OUR SERVICE

. ROAD WORK

As a leader in infrastructure development, our roadworks division is dedicated to delivering top-tier construction and maintenance solutions. From new road construction to rehabilitation projects, we leverage advanced technology and a skilled workforce to ensure the durability, safety, and efficiency of our road networks. Partner with us for comprehensive roadwork services that drive connectivity and enhance transportation infrastructure."

OUR SERVICES

• BRIDGES AND TUNNELS

"Bridges and Tunnels: Bridging Horizons, Tunneling Innovation – Welcoming a new era in our portfolio, we're embarking on the challenges and possibilities of bridges and tunnels. While our expertise may be evolving, our commitment to delivering robust, safe, and innovative structures remains unwavering. Join us as we shape connectivity through meticulously crafted bridges that span gaps and tunnels that navigate challenges, setting the foundation for a future where seamless transportation meets our dedication to excellence."

OUR SERVICES

• CANAL CONSTRUCTION

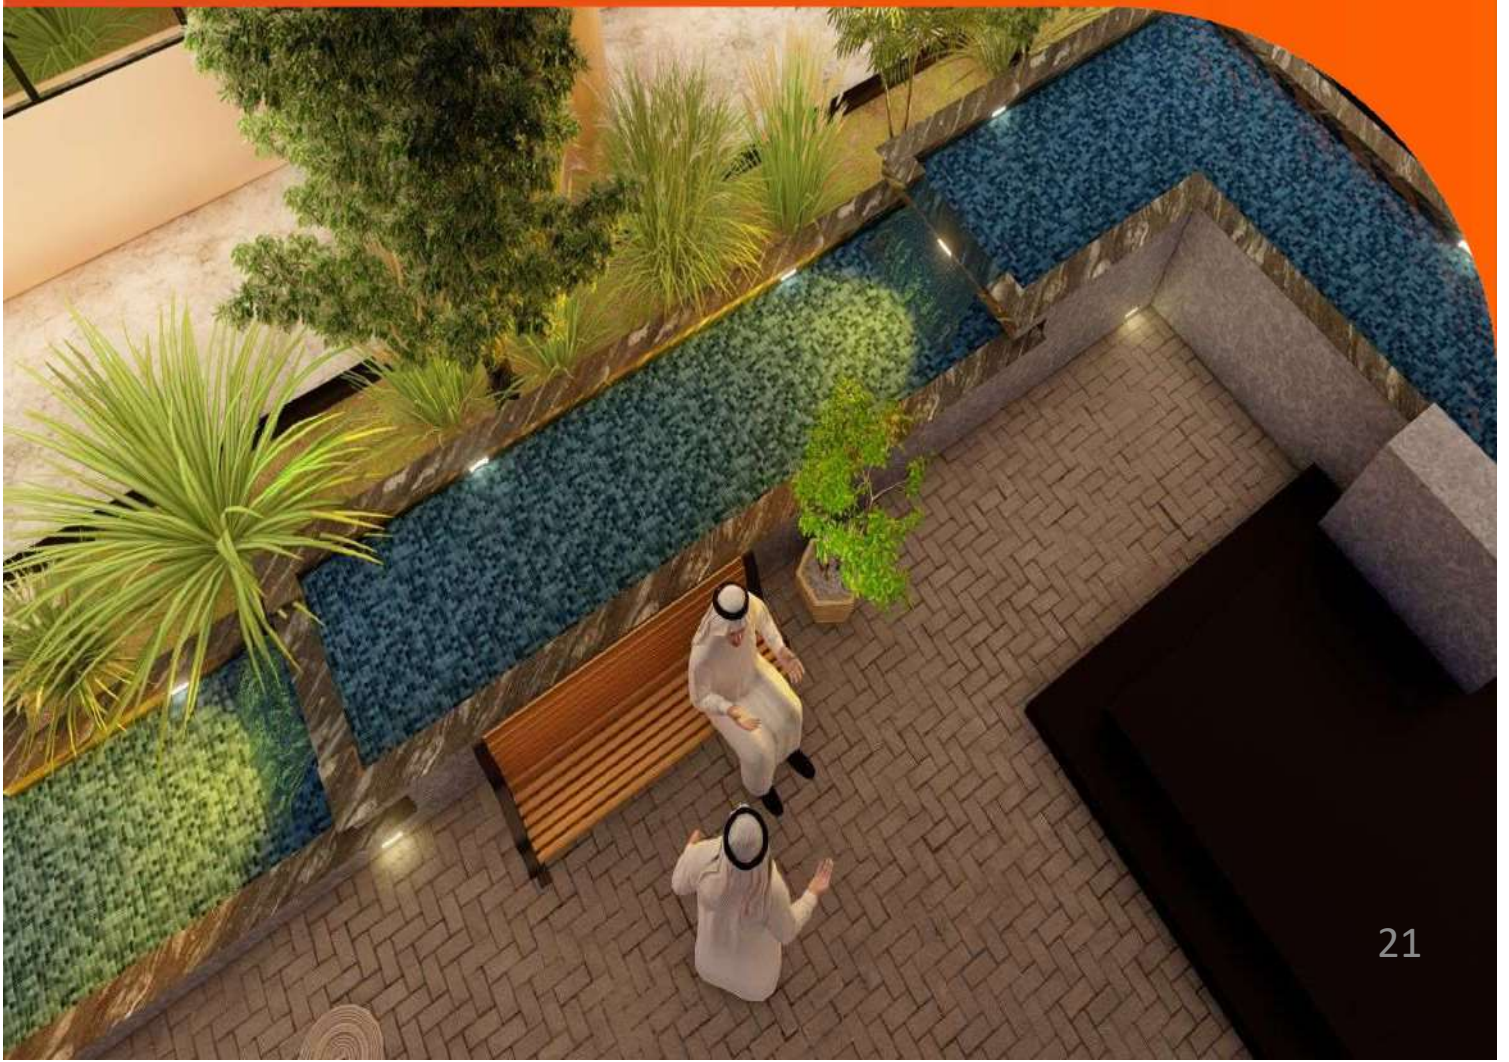

"Navigating Success, Shaping Waterways - Our canal construction services are at the forefront of transforming landscapes and managing water resources. With precision engineering and a commitment to sustainable solutions, we specialize in designing and building canals that facilitate efficient water distribution, irrigation, and flood control. Join us as we shape waterways, creating essential conduits that contribute to the development and sustainability of communities."

OUR SERVICE

. SWIMMING POOLS & WATER FEATURES

"Dive into luxury and creativity with our bespoke swimming pool and water feature designs. We specialize in crafting exquisite aquatic environments that combine functionality, aesthetics, and innovation. From stunning swimming pools that redefine leisure to captivating water features that enhance outdoor spaces, our team brings your vision to life. Experience the perfect blend of relaxation and sophistication with our expertly crafted swimming pools and water features."

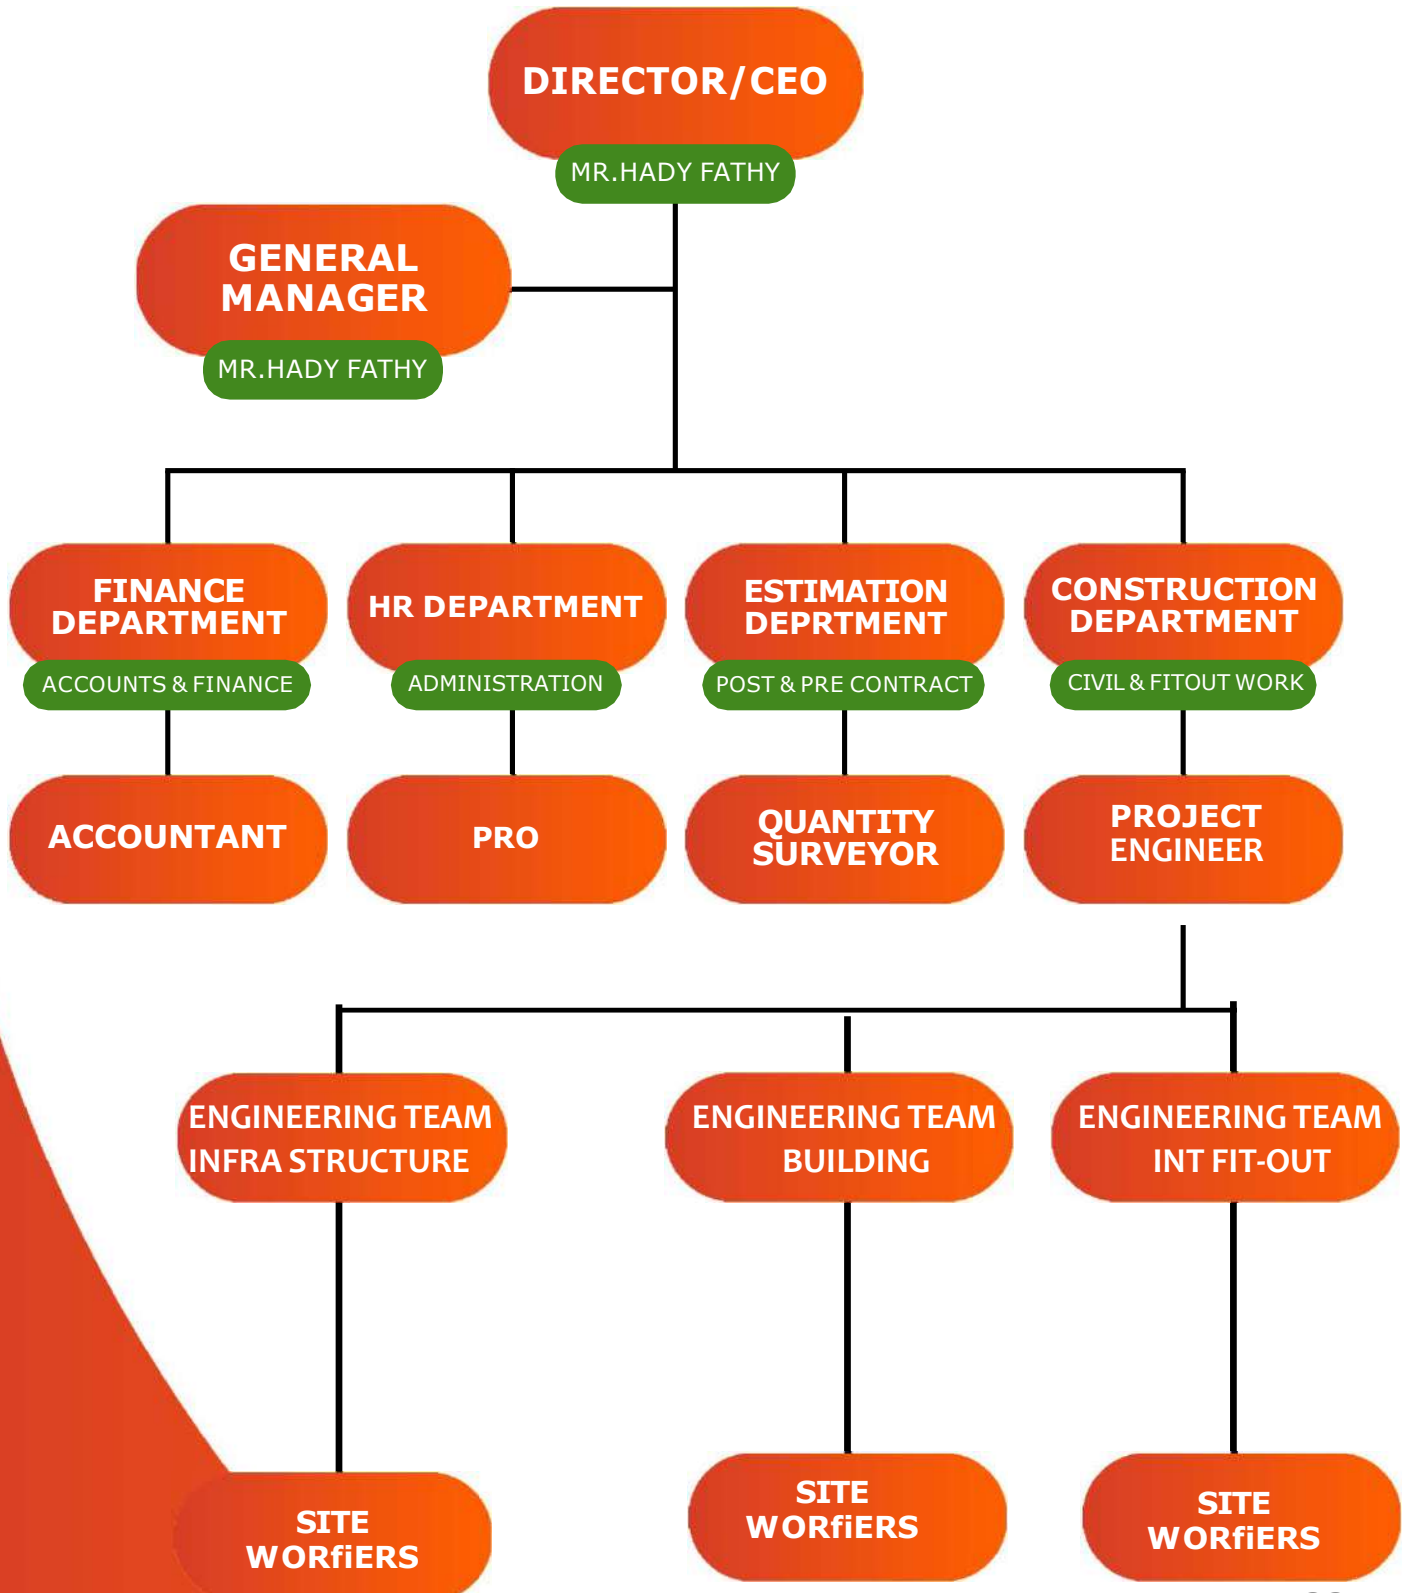

OUR SERVICES

• LANDSCAPE & HARDSCAPE

"Transforming Outdoor Spaces – Our expertise extends to the artful integration of Landscape & Hardscape designs. Immerse yourself in the beauty of thoughtfully planned landscapes and durable hardscape elements. From lush gardens and outdoor living spaces to resilient walkways and structures, our team seamlessly blends aesthetics with functionality. Elevate your surroundings with our comprehensive solutions, creating harmonious outdoor environments that stand the test of time."
